

REMARKS/ARGUMENTS

In the amendment filed October 27, 2006 (which resulted in the Notice of Allowance mailed January 9, 2007), Applicants amended claim 3 and inserted "a managing computer" in the preamble of claim 3. It is noted that the amendment resulted in two recitations of a "managing computer" in the claim 3 preamble. This Amendment After Allowance is submitted to correct the wording of claim 3 by deleting the second occurrence of "managing computer".

Applicants respectfully request the Examiner to enter this Second Amendment After Final to correct the inadvertent error in claim 3. It is submitted that entry of this amendment is proper and requires no action on the merits. Thus, the previous allowance of claims 1-8, 10-17 is not affected.

If the Examiner believes a telephone conference would expedite prosecution of this application, please telephone the undersigned at 858-350-6100.

Respectfully submitted,
